MICROSOFT SQL AZURE ENTERPRISE APPLICATION DEVELOPMENT (PAPERBACK)

Microsoft SQL Azure: Enterprise Application Development

Build enterprise-ready applications and projects with SQL Azure

Jayaram Krishnaswamy

PACKT enterprise

Packt Publishing Limited, United Kingdom, 2010. Paperback. Condition: New. Language: English. Brand new Book. Each chapter starts with a general overview reviewing the software architecture related information or the underpinning programming concepts followed by an example of working with specific examples. This is then followed by a description of the specific software used in the chapter. The topics that require you to write code are fully explained using annotations and the code is presented in both VB and C# (in...

Reviews

This ebook is great. It is definitely basic but shocks from the 50 percent of your publication. Its been printed in an exceedingly basic way and it is only right after i finished reading this book where basically changed me, modify the way in my opinion.

-- **Mckayla Ritchie**

This is the finest book i have got study right up until now. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Keanu Johns**
